Hello Michael,

I hope you're still having fun keeping Region IX on the rails! I know the conference is a ways off, but do you have any general idea of what you plan to discuss in your keynote? UCLA is just preparing the promotional materials and wants to hype your keynote. If it should just be generic on the status of things at Region IX at this point, that's fine, too. Just wanted to give you the opportunity to customize a bit if you'd like to. Looking forward to meeting you in person! Thx. D.
